Award reflects Sal's Auto consistent high level of customer service. Sal's Auto Voted #1 Auto Repair Shop in Acton MA & Regional GOLD in Metrowest Boston.

ACTON, MA, UNITED STATES, June 23, 2017 /EINPresswire.com/ -- Sal's Auto & Truck Repair in Acton, MA has earned the auto repair service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of customer service to members of the local services marketplace and consumer review site in 2016. Award reflects Sal's Auto consistent high level of customer service. It was the third year in a row that Sal's Auto received the coveted Award.

This achievement is particularly significant as Angie's List experienced unprecedented member growth in 2016.

More than 1.6 million consumers, many of whom were eager to quickly hire highly qualified service pros, joined Angie's List after the company added a new, free membership tier.

"Companies that can meet higher demands without missing a beat in their exemplary performance standards truly do stand apart from their peers," said Angie's List Founder Angie Hicks. "Only a fraction of the auto repair & service shops in the greater Boston area were able to do it." Angie's List Super Service Award winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade. The SSA winners must also be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

"Sal's Auto is proud to receive the Angie's List Super Service Awards for the 3rd year in a row, to be VOTED the #1 Auto Service & Repair Shop in Acton, MA, and to earn Regional Gold in the Boston Metrowest area. These awards are particularly meaningful as we celebrate 40 years in business serving the Acton-Boxborough area. Special thanks to all our customers for trusting us with your auto service and repair needs!"

Service company ratings are updated daily on Angie's List as new, verified consumer reviews are submitted. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality.

For more than 21 years, Angie's List restricted access to its verified reviews to consumers who paid membership fees. When the company removed that barrier, some companies worried that the new, non-paying members would not be as engaged as members of the past. Experience has shown, however, that these newly added members are just as engaged – across all age groups – as prior members. Also, because the company continues to adhere to its review verification process, there has been no degradation of review quality

"The biggest change at Angie's List is that we are connecting even more consumers to high quality service professionals," Hicks said. "And that's good for everyone."
