

# HR Software Founder is the Business Woman of the Month in Sunday Woman Magazine

---

*Sarah Dowzell, one of the founders of HR Software company Natural HR is this month's business woman of the month in Sunday Woman Magazine.*

LONDON, UNITED KINGDOM, June 26, 2017 /EINPresswire.com/ -- Every month [Sunday Woman Magazine](#) place an inspirational business woman in the spotlight. This month, [Sarah Dowzell](#) is the lady of honour as her approach to business and family life stands out.

Sarah is one of the founders of HR Naturals, a company that develops Human resources software for companies, to facilitate ease in employment processes. As the [HR software](#) industry is usually male focused, Sarah's achievements are magnified, as she juggles a successful business with raising a family.

Sarah documents her progress in an honest, frank and enlightening blog over on Dowzell.com, where she shares the struggles she's faced, and more importantly, how she's overcome these to forge an incredible business with her partner.

## About Natural HR

Natural HR provide HR solution for HR professionals, as detailed on their website, "Covering the whole employee lifecycle from recruitment through to off boarding, Natural HR offers the most comprehensive HR software solution on the market in a simple to use, secure cloud based platform. Natural HR is configured to help you manage the processes you already have in place. The objective is to remove the burden of processing and responding to the routine and provide access to valuable data patterns. Enabling you to gain an important insight into the underlying trends and leading indicators impacting on workforce moral. Giving you instant access to historic and real-time information at an organisation wide view, to specific departments and individual employees"

Sunday Woman Magazine explain why they chose Sarah as their business woman of the month, "Sarah shows incredible strength of character while being honest and transparent in her blog. She's obviously working in a man's world, as females within the HR software industry are rare. Instead of apologising for her gender, and trying to overcompensate, as so many women are forced to do, Sarah celebrates family life, and shares how she's dealing with every day struggles to inspire others. It's this inspiration and the integrity of Sarah Dowzell that made her a clear winner for the business woman of the month accolade. We look forward to seeing how well the HR Software develops as we've no doubt it will be a huge success."
