

BeeSeen Solutions, selected as the Social Media Agency for Keith's Nervous Breakdown Ultra-Premium Cocktail Mixers

The Northeast is taking this cocktail mix by storm!

HAUPPAUGE, NEW YORK, UNITED STATES, June 27, 2017

/EINPresswire.com/ -- Based on Long

Island New York, [Keith's Nervous Breakdown Ultra-Premium Cocktail](#)

[Mixes](#) are made in small batches locally to provide the ultimate margarita and rum punch cocktails. They source the finest limes, oranges, pomegranates and cranberries from trusted local growers. What's even "sweeter" is that their mixes are sweetened with a touch of agave nectar - not high-fructose corn syrup like most brands. Made from fresh all natural ingredients to create the most extraordinary taste experience. The Pomegranate Cranberry Margarita mix provides a whole new flavor spin on margaritas while remaining true to its roots and was the first in Keith's product line.

Since the launch, Keith has come out with a delectable Rum Punch. Next up is a new twist on the loved Bloody Mary and they look to expand the line even further to support the demand.
