

Info Cubic honors our nation's veterans on July 4th, and every day, with our American Veteran Appreciation Program

DENVER, COLORADO, USA, July 5, 2017 /EINPresswire.com/ -- Info Cubic, LLC, a leading [employment screening](#) company, is proud to introduce our American Veteran Appreciation Program (AVAP). The AVAP is one part of a two pronged program geared towards demonstrating our appreciation for what the many veterans of our nation's Armed Forces have done for our country.

"We recognize the importance of helping veterans find and secure gainful employment when returning from service" said Jason Rennie, SVP of Sales and Marketing with Info Cubic. "As a background screening provider, our core business model can't help source American Veteran Applicants; however, we can assist with a portion of the hiring process by offering our clients a unique proposition with our new American Veteran Appreciation Program."

Through the AVAP Info Cubic will not charge for the background screening of any American Veteran that our clients hire.*

"Info Cubic receives no financial benefit from this initiative. Similar to our partnership with [Boot Campaign](#), our goal is simply to support the mission to raise awareness, promote patriotism, and provide assistance to military families, past and present the best way that we can."

The second prong of our American Veteran Appreciation Program is our internal rewards and incentive program with our partner Boot Campaign. When an Info Cubic employee reaches a pre-established milestone, he or she is rewarded with a choice of combat boots from Boot Campaign. A portion of the purchase price of each pair of boots is allocated to the Boot Campaign mission and veterans' health and wellness.

Visit <http://www.bootcampaign.org/> for more information about this cause.

Through these programs we are expressing patriotism and offering our services as a tangible reminder that we live in the land of the free, because of the brave.

*Specific parameters will apply, contact us to discuss American Veteran Addendum and Veteran Recruit Qualification Form for additional details, excludes third party pass through fees
