

Compliance Manual

Healthcare providers are required to have a compliance manual since 2010. Do you have one?

MINNEAPOLIS, MINNESOTA, USA, July 3, 2017 /EINPresswire.com/ -- Since 2010, providers have needed to have a compliance manual if they see Medicare or Medicaid patients. Do you have one? [Our white paper can be viewed here.](#) This white paper goes through the requirements and instructions to create your own manual in a 19 page directive from the Office of Inspector General (OIG).

Sometimes, simply is just plain easier. Today we are having a special on our compliance manual. It usually is \$299, but today you can purchase the manual and [become compliant for only \\$199.](#)

The manual is customized with your clinic name, logo, and name of your compliance officer. PLUS, we give you an hour of free training to review how you must log your education, monitoring, and troubleshooting of errors and issues. Order today for \$199. If you have any questions, please feel free to call our lead compliance officer, [Bonnie J. Flom, CMRS at 612.432.2366.](#) Thank you.

“

There are three classes of people: those who see. Those who see when they are shown. Those who do not see. ””
