

# Seminar on Non Surgical Hair Replacement

---

*We are going to organize a seminar on Non Surgical Hair Replacement. A step to aware about the technologies & process of how to restore the hairs*

DELHI, NEW DELHI, INDIA, July 5, 2017 /EINPresswire.com/ -- Age is not a standard for hair problems anymore. Anyone can face the hair loss problem & Non Surgical Hair Replacement is one the best options for restoring the hairs. But Many people don't know what is the process & where to go. So, My [Hair Weaving](#) is organizing a seminar, Hair Expert Talk 2017, where all the people are invited suffering from hair loss. They have recently launched a new system of Non Surgical Cold Fusion in Which no heat machine is required to do Hair Weaving.

Directors Dr Sachin Gupta says, "During consultation, when we let the patients know the technologies we have to achieve win on hair loss, they will be surprised. Now we have cold fusion technology too. At our clinic, we have all kinds of technologies including surgical and non surgical both so that we can provide the best solution to patient.

The main reason behind organizing this seminar we would like to aware the people from Non Surgical Methods also so that they can know now getting back the hairs is also possible without any surgery & side effects. Our satisfied clients will also join us & there will be live demonstration on Cold Fusion & Hot Fusion.

You can book your seat for the seminar on July 8, between 4:30pm to 6:30pm. We will give the special offers who attend the seminar.
