

# Six S Partners Listed Among Top VARs for 2017

*Bob Scott's Insights List Highlights  
Industry Leaders*

WATERLOO, ON, CANADA, July 5, 2017 /EINPresswire.com/ -- [Six S Partners](#) has been named to Bob Scott's Insights Top 100 VARs list for 2017. The Top 100 value-added resellers are chosen from organizations specializing in the sale and implementation of Enterprise Resource Planning ([ERP](#)) and accounting software. Six S Partners – [Epicor's](#) global partner of the year for the past two years – is ranked 72 on the 2017 list and has been included in Bob Scott's annual ranking for the second time now.

“To be included in Bob's list once again is a true honour,” says John Preiditsch, President of Six S. “We've experienced steady, and at times, exponential growth and have managed to sustain the high quality of service our clients demand at the same time. That's something we're especially proud of.” John adds, “With our recent expansion in the United States, the firm is in a fantastic position to deliver the expert-level Epicor ERP product knowledge and industry expertise and experience to an even broader market.”

As a dedicated partner to Epicor the firm has one single focus – to help clients achieve their goals with the Epicor ERP implementation and advance their business and return on investment through its use. Providing customers of all sizes with operational best practices has been the foundation of the firm's success to date.

“We want to congratulate this year's class of Bob Scott's Top 100 VARs,” said Bob Scott, executive editor of Bob Scott's Insights. “This selection represents recognition of leaders in this important field.”

The selection is based on annual revenue generated by each reseller. A special report that includes names of the

organizations selected for this year's Top 100 list, ranked by revenue, is downloadable at <http://www.bobscottinsights.com>. His report is made possible by the continued support and cooperation of his readers and by his sponsors: Acumatica, Avalara and NetSuite.
