RAHWAY, NEW JERSEY, UNITED STATES, July 5, 2017 /EINPresswire.com/ -- Immediate Press Release

A.B.Y.S.S is Ms. Tasha C. Langford, a professional artist whose unique name always prompts the question, "Why that name A.B.Y.S.S?" With this name that is known in Africa, North America, Europe, Australia, Jamaica and New York City, anyone who knows her can imagine her smiling and confidently responding with her infamous trademark statement, "Ask Before You Speak Stupidity." I am A.B.Y.S.S!

MizMacMarketing LLC, a public relations firm that became acquainted with her seven years ago, became instantly spellbound by her, and still remains awestruck by her tremendous talents. Her rhymes make you take a look at the world a little closer because of her conscious literary observations. One of her more popular tunes that can be heard on radio is entitled "Why you mad?" The passion in the style of these well penned lyrics forces the listener to echo back the same sentiments she asks in the title of the song. A.B.Y.S.S is a confident woman, a natural beauty, and an activist with the ability to empower all who encounter her. She is an individual who keeps herself in optimum physical condition through a daily healthy lifestyle workout regimen at the Crossfit Gym, and is quite comfortable in her own skin. Like the actor Queen Latifah whom she greatly admires, she has the deportment of one who carries the blood of royalty in her veins.

No description of our star would be complete without sharing what she has contributed to the world of entertainment with her craft. It has been said that you get your money's worth at her live shows. To hear her perform is to experience the unique triple treat of flavor, style and image that she brings to the hip hop industry. A.B.Y.S.S has a fiery rap style and can sing a hook like Lauryn Hill and MC Lyte, two artists whose work she respects. She is an extraordinary lyricist and a bona fide entertainer in the true sense of the word. Her tunes have been described as unapologetically raw and straightforward. She is not afraid to share her in-your-face style of necessary truth to empower and inspire her audiences as she captivates them with rap and rhyme.

A.B.Y.S.S has kept herself busy over the years and has performed with many noteworthy artists. To name a few, she has been the opening act for rap artist Maino; reggae superstar Serani; comedian Tommy Davidson; S.O.B's for the Who's Next! Hot 97 in NY, and has made an appearance at The Car Show hosted by Hot 97 Funk Master Flex. The Whitney E. Johnson Foundation Inc.& (All About Us) AAU a non profit 501 (C) 3, for their brand Ambassador Ron Killings a.k.a R-Truth from WWE. Those who know her well agree with her self-characterization as having a "no nonsense" persona, being strictly about the business that she conveniently dubs as "thABYSSness". (ABYSS)

A.B.Y.S.S. is a very passionate individual who wants to play a significant role in helping to find a cure for Lupus. Having watched loved ones suffer the slow deterioration that has ravaged their bodies from this illness, it has become her mission in life to become such a phenomenal success, that she can establish a foundation in her own name to research and find a cure for the disease.
