LOS ANGELES, CALIFORNIA, UNITED STATES, July 6, 2017 /EINPresswire.com/ -- FOR IMMEDIATE RELEASE:

[United Treasure Hunt](#) launches first FREE monthly Treasure Hunt.

LOS ANGELES, CA - July 6, 2017 – Founded in 1986, United Treasure Hunt (UTH) has relaunched its successful Treasure Hunt with a new, online monthly Hunt for a sleek UTH Electric Bike. This new Hunt is FREE, and began on July 1, 2017.

UTH gives ordinary people the thrilling opportunity to join a real, online Treasure Hunt at [UnitedTreasureHunt.com](#). To claim this valuable Treasure, a registered Hunter must be first to find its secret location in the continental United States.

After completing a FREE registration for this Hunt, Hunters automatically receive 60 FREE Hunt Credits to redeem for clues or submit addresses. These credits enable Hunters to fully participate in the UTH Electric Bike Hunt.

To help online Hunters find the Treasure, UTH publishes clues nightly at 12:01 am. In this online competition of skill and speed, the first Hunter to unlock the clues, and submit the correct street address for the UTH Electric Bike, can claim it.

Clues will include math problems, trivia questions, and geography puzzles, and all clues point to the secret Treasure's street address. For security reasons, this electric bike, and other upcoming, monthly UTH Treasures will never be actually located at the address.

Starting August 1, 2017, UTH will launch its first monthly [Premium Hunt for an electrifying 2017 Ford Mustang](#). To participate, Hunters must obtain Premium Hunt Packages, which include limited edition, gold-plated coins, plus Premium Hunt Credits, which can be used to obtain clues and submit addresses. As in the FREE Hunt, clues are published nightly at 12:01. The first Hunter to unlock the clues, and submit the Mustang's correct address, will claim the Treasure. Hunters can also collect these limited edition coins, to trade with other Hunters, or redeem them for vacations, Mac Laptops and more.

In addition, when Hunters obtain Premium Hunt Packages, five percent of the total revenue will be donated to support the Global Lyme Alliance (GLA). This leading U.S.-based organization is dedicated to finding an accurate test and cure for this tick-borne disease, which causes 300,000 new cases a year in the United States. UTH is proud to support their work, with the dedicated support of

our online Hunters.
