

BluePay is a Three-Time Recipient of the MasterCard Data Integrity Compliance Program Award

BluePay is honored to announce they have once again been named a recipient of the MasterCard Data Integrity Compliance Program Award for 2016.

NAPERVILLE, IL, UNITED STATES, July 6, 2017 /EINPresswire.com/ -- BluePay, a leading provider of payment technology solutions, is honored to announce they have once again been named a recipient of the MasterCard Data Integrity Compliance Program Award for 2016, making this BluePay's third consecutive year receiving the distinguished honor. The award was presented on behalf of Peoples Payment Solutions and MasterCard.

MasterCard's Data Integrity Compliance Program recognizes customers who demonstrate excellence in data quality standards. To be eligible, processors must authorize and clear a certain number of transactions per month, as determined by MasterCard. BluePay earned this award by placing in the top 5% of the highest compliance percentage for data integrity in Canada.

Marcus Dagenais, President of BluePay Canada, said, "We are extremely honored to be recognized by MasterCard for the third consecutive year for our commitment and dedication to maintaining the accuracy and integrity of our transaction data. Our operations team works diligently to provide quality data to MasterCard, which will ultimately have a positive impact on our merchants. They can expect accurate interchange rate qualifications, improved authorization response decisions, and reduced exception processing."

About BluePay: BluePay is a leading provider of technology-enabled payment processing for merchants and suppliers of any size in the United States and Canada. Through physical POS, online, and mobile interfaces, as well as CRM and ERP software integrations, BluePay processes business-to-consumer and business-to-business payments while providing real-time settlement, reporting, and reconciliation, along with robust security features such as tokenization and point-to-point encryption. BluePay is headquartered in Naperville, Illinois, with offices in Chicago, Maryland, New York, and Toronto.
