The Ohio Mesothelioma Victims Center fears that most people who have recently been diagnosed with mesothelioma in Ohio act impulsively when it comes to hiring a lawyer or law firm to assist with a mesothelioma financial claim. What they may not realize is once they retain the services of a lawyer/law firm to assist with a mesothelioma compensation claim it is essentially impossible to fire them. Adding insult to injury frequently law firms promote themselves as the top mesothelioma attorneys in a state when in reality they are car accident attorneys-not the nation's leading mesothelioma attorneys as the group would like to discuss anytime at 800-714-0303. <http://Ohio.MesotheliomaVictimsCenter.Com>

The Ohio Mesothelioma Victims Center is offering one vital tip for a skilled trades person such as an electrician, welder, plumber or a Navy Veteran with recently diagnosed mesothelioma in Ohio: "Before you hire a lawyer or law firm to assist with a mesothelioma compensation claim anywhere in Ohio please call us at 800-714-0303 to ensure you are talking directly to the nation's most skilled, experienced and capable mesothelioma attorneys-who consistently get the best possible financial

compensation results for their clients. In addition to getting the best financial compensation results the fulltime mesothelioma attorneys we suggest do not overcharge their clients. They charge a flat 33.3% of the gross settlement amount even if a trial is involved. Most other law firms charge 40% of the gross settlement amount plus expenses if a jury trial is involved. Please do not shortchange yourself when it comes to mesothelioma compensation if you live in Ohio."
