

# Medium and High Capacity Laser Cutting Machines Market to Grow at a CAGR Of 5.16% and Forecast to 2021

Wiseguyreports.Com Publish Market Research Report On-“Medium and High Capacity Laser Cutting Machines Market to Grow at a CAGR Of 5.16% and Forecast to 2021”.

PUNE, INDIA, July 7, 2017 /EINPresswire.com/ --

## [Medium and High Capacity Laser Cutting Machines Market 2017](#)

### Executive Summary

Laser cutting machines include high-power lasers, which can vaporize a wide variety of materials ranging from steel to plastic with high levels of precision. The versatility of these machines enables manufacturers to cut various materials and develop products and components that have complex geometry. Therefore, laser cutting machines facilitate the efficient and effective production of components and parts in many sectors such as the automotive, aerospace and defense, healthcare, plastics, electrical and electronics, textiles, and woodworking industries. Laser cutting machines eliminate the need for tool-based machining and minimize the production delays that are associated with the use of machines.

The analysts forecast the global medium and high capacity laser cutting machines market to grow at a CAGR of 5.16% during the period 2017-2021.

### Covered in this report

The report covers the present scenario and the growth prospects of the global medium and high capacity laser cutting machines market for 2017-2021. To calculate the market size, the report considers the retail selling price as the average selling price of the product.

The market is divided into the following segments based on geography:

- Americas
- APAC
- EMEA

The report, Global Medium and High Capacity Laser Cutting Machines Market 2017-2021, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers

the market landscape and its growth prospects over the coming years. The report also includes a discussion of the key vendors operating in this market.

#### Key vendors

- Bystronic
- Coherent
- IPG Photonics
- Mazak Optonics
- Newport
- TRUMPF

Request a Sample Report @ <https://www.wiseguyreports.com/sample-request/1522095-global-medium-and-high-capacity-laser-cutting-machines-market-2017-2021>

#### Other prominent vendors

- ALPHA LASER
- AMADA AMERICA
- Cincinnati
- Cutlite Penta
- CY LASER
- DANOBATGROUP
- DPSS Laser
- Hypertherm
- Jenoptik
- Laser Photonics
- Prima Industrie
- Trotec Laser
- Universal Laser Systems
- Vytex Laser Systems
- Xenotech Global

#### Market driver

- Increasing need to develop superior-quality products
- For a full, detailed list, view our report

#### Market challenge

- Lack of skilled operators
- For a full, detailed list, view our report

#### Market trend

- Growing adoption in other end-user industries
- For a full, detailed list, view our report

#### Key questions answered in this report

- What will the market size be in 2021 and what will the growth rate be?
- What are the key market trends?
- What is driving this market?
- What are the challenges to market growth?
- Who are the key vendors in this market space?
- What are the market opportunities and threats faced by the key vendors?

- What are the strengths and weaknesses of the key vendors?

## Table of Contents

PART 01: Executive summary

PART 02: Scope of the report

PART 03: Research Methodology

PART 04: Introduction

- Market outline

PART 05: Market landscape

- Market size and forecast
- Five forces analysis

PART 06: Market segmentation by product

- Market overview
- Medium and high capacity fiber laser cutting machines market
- Medium and high capacity CO<sub>2</sub> laser cutting machines market
- Medium and high capacity solid-state laser cutting machines market

PART 07: Market segmentation by end-user

- Market overview
- Global medium and high capacity laser cutting machines market in automotive sector
- Global medium and high capacity laser cutting machines market in aerospace and defense sector
- Global medium and high capacity laser cutting machines market in electrical and electronics sector
- Global medium and high capacity laser cutting machines market in industrial machinery sector

PART 08: Geographical segmentation

- Market overview
- Medium and high capacity laser cutting machines market in APAC
- Medium and high capacity laser cutting machines market in EMEA
- Medium and high capacity laser cutting machines market in Americas

PART 09: Decision framework

PART 10: Drivers and challenges

- Market drivers
- Market challenges

PART 11: Market trends

- Growing adoption in other end-user industries
- Rising investments in R&D
- Increasing number of mergers and acquisitions
