

Learnlight Wins EdTechXGlobal Growth Award

Learnlight announces that it has won the prestigious 2017 EdTechXGlobal Growth Award at the EdTechX All Stars ceremony.

LONDON, LONDON, UNITED KINGDOM, July 10, 2017

[/EINPresswire.com/](http://EINPresswire.com/) -- This award recognizes the fastest growing and most innovative startups across the worldwide EdTech industry. The 2017 [EdTechXGlobal All Stars Awards](#) is determined by a global panel of judges, evaluating various factors including revenue growth, scale, innovation and market impact. For each category, the awards aim to showcase the top three start-ups across geography, segmentation and industry trends.

EdTechXGlobal Growth Award

Our commitment to innovation has seen us expand our offering this year to now provide training in more than 65 different languages and over 200 soft skills areas, which we can now deliver online or face-to-face on a worldwide basis.

“

Learnlight's growth has been nothing short of impressive. This, combined with its innovative learning platform and unique range of blended and virtual services, made them a worthy winner.”

*Benjamin Vedrenne-Cloquet,
Co-founder of EdTechX*

Benjamin Joseph, Co-founder and CEO of [Learnlight](#) said: “We are incredibly proud to have received this recognition from such a respected panel of industry experts. It is a testament to our incredible team of professionals, based in more than 20 different countries, who have worked so hard to make this happen. Our commitment to innovation has seen us expand our offering this year to now provide training in more than 65 different languages and over 200 soft skills areas, which we can now deliver online or face-to-face on a

worldwide basis.”

Benjamin Vedrenne-Cloquet, Co-founder of EdTechX said: “This year's EdTechXGlobal Growth Award saw entries from more than 170 different EdTech companies. Learnlight's growth over the last few years has been nothing short of impressive. This, combined with its innovative learning platform and unique range of blended and virtual services, made them a worthy winner.”
