

Notorious Hindu Fakir Angry at Famed Magician John Shable Taj Mahal of Coins Inventor

Acclaimed East Indian Hindu Fakir Wants Secret to Famed American Stage Magicians Most Marvelous Coin Appearing Act

SALINAS , CALIFORNIA , USA, July 7, 2017 /EINPresswire.com/ -- Forget the legendary Indian Rope Trick. Toss the bed of nails. Free the charmed cobra from the basket. No more being buried alive.

The East Indian Hindu Fakir Abba Rey Baban wants the mega bucks....er.....make that rupees. He wants to know the secrets of the Taj Mahal of Coins Magic Act. The secrets that have made John Shable a very wealthy man.

Sources from Calcutta report the Fakir and magician met at a spot along the Ganges River to discuss purchase of the secret to making over \$1,000,000 a month making Coins appear out of thin air.

Shable flatly refused and one eyewitness quoted him as saying he is taking it to his grave, dead (or alive for that matter.)

When told by the interpreter of this Abba Rey Baban yelled expletives and quite angrily kicked several baskets like soccer balls. He threw charms and amulets into the water along with some bizarre chant.

The meeting ended abruptly.

When asked by a reporter if he was concerned about some type of spell being cast upon him, Shable laughed and pulled a handful of silver dollars out of the and gave them to him.
