We love becoming community partners everywhere we have a car wash. We know we can wash cars fast and keep them clean, but we also believe we can make a real difference in people's lives."

Ben Peay, Operations Leader for Quick Quack Car Wash Monday through Saturday from 7 a.m. to 9 p.m. and is closed on Sundays.

The new Pleasant Grove location is the sixth location in Utah after recent openings in Highland, Orem, Spanish Fork, Springville, and Layton. An additional location in American Fork is already under construction and others in Saratoga Springs, North Orem, Provo, West Jordan, South Jordan and Centerville will begin soon.

In conjunction with the Grand Opening, Quick Quack will also hold a special "Preview" Fundraiser on Monday, July 17th from 4 p.m. to 7 p.m. to benefit Brailey Bug and her family with

medical expenses incurred from a lawn mower accident in which four-year-old Brailey lost her leg and sustained additional serious injuries. Cars will be washed for free during the fundraiser and Quick Quack will be matching donations from customers.

"We love becoming <u>community</u> partners everywhere we have a car wash," said Ben Peay, Operations Leader for Quick Quack Car Wash. "We know we can wash cars fast and keep them clean, but we also believe we can make a real difference in people's lives."

Quick Quack Car Wash regularly sponsors local events and athletic programs, as well as contributing to community groups' fundraising efforts. Quick Quack is regularly named the favorite or best car wash in the areas where it operates and has been recognized for sustainable business practices and water conservation.

Aside from a big yellow duck named Quackals, Quick Quack Car Wash is best known for its free vacuums and unlimited, "wash-all-you-want" car wash memberships starting at only \$17.99 per month.

About Quick Quack Car Wash Quick Quack Car Wash has 33 locations in Utah, California, Texas, and Colorado. The Quick Quack Car Wash concept grew from a desire to get cars clean using the best technology and to do it extremely fast. Fully automated and computerized, the high-quality and environmentally-friendly car washing system uses neoprene foam, soft cloth and filtered, recycled water. The customer stays in their vehicle while being automatically guided through the car wash where the vehicle is soaked, soaped, washed, polished, rinsed with spot-free water, and dried, all in a matter of minutes.
