

Local Realtor Buys Homes For Cash

Warren Flax will actually buy your home, at a price agreeable to you, if it doesn't sell, guaranteeing you can make your move.

LEVITTOWN, PA, UNITED STATES, July 24, 2017 /EINPresswire.com/ -- Every month, thousands of homeowners are faced with the stressful dilemma of whether to buy first or sell first. Buy before selling and you could wind up stuck with 2 homes. Sell first and you could wind up homeless. It's called the Real Estate Catch 22.

One local Realtor is using a Guaranteed Sale Program which solves this dilemma. Warren Flax of Platinum Realty Team guarantees the sale of his clients' homes or he will step in and buy the home himself for the previously agreed price.

"Moving is stressful enough," said Warren. "My program guarantees that the current home is sold before a homeowner takes possession of their new home. This eliminates the biggest stress point when trading up to a larger home."

In almost all cases Warren gets the home sold to a happy new home buyer. However Warren has purchased 2 homes in his career, including the home of Lourdes Leon. "At first," said Lourdes. "I thought this was just going to be another false ad claim, but knowing that I was backed by your trade program allowed me to negotiate with confidence. This program is the real deal. Warren actually bought my home so that I could buy another one! Thank you!"
