There's a New Pitbull in Town – and He's Not from Here

There's a new Pitbull in town. And he's also a Superstar. You can find him, complete with music, photos and background stories, at

<https://chicothemagicdog.com/2017/05/18/chico-the-magic-dog-the-beginning/>

which documents the life and adventures of this galactic Superstar. Oh – one thing: he's not from here. And unlike the “other” Pitbull, he's clearly not from Miami, Florida.

The Pitbull's history, intragalactic abilities and fascinating perspectives – along with his fully orchestrated [Theme Song](#), can be found on the blog. It includes historical and personal background on this Pitbull – his name is “Chico” – and some details of his home-planet and its location, his mission on earth, and the vast set of skills and abilities he brings to fighting evil on earth and throughout the Universe.

Chico (a Wogg, from the planet Narsica) is a real-live dog/person, and lives in Coral Gables and Hollywood, Florida. He arrived at his friend's house in the Gables about two years ago, and has been working on a children's book, a novel, and a musical. His musical theme song, created for him by another ancient Pitbull friend (Anubis) for his 100th birthday, is on the blog section entitled "Primer: Chico, the Intragalactic Pitbull."

There you'll find Chico's Ballad, composed for and bestowed on him by Anubis. Despite a youthful appearance, this Pitbull is nearly as old as the Universe itself. He does have more hair than the earthbound Pitbull.

For a complete run-down on Chico's basic history, and to stay updated as more stories are posted and recorded, visit [chicothemagicdog.com](http://chicothemagicdog.com) – and stay tuned to the new Pitbull in town!
