

Home Improvement Specialist Announces New Website and Services

American Home Improvements announces a new website and expansion services to include all new Safe Bathroom division with walk-in tubs, showers and grab bars

ELKHART, INDIANA, USA, July 17, 2017 /EINPresswire.com/ -- Elkhart, IN; July 17, 2017 – American [Home Improvements](#) today announced the launch of an all new website to better serve its customers with a wide range of home remodeling services, now including expanded Safe Bathroom products and installation.

Company president Doug Kline said, “Since 1959 we’ve been proud to serve customers across our region with a wide range of remodeling services. From roofing and siding, to [kitchens](#) and baths; from garages and decks, to windows and floors, we’ve helped thousands of Michiana families to make their homes more beautiful and comfortable. Now, we’re expanding our services to help make their homes safer and more functional, especially for the growing senior population.”

The company’s new Safe Bathrooms division is focused on serving the senior class with a broad selection of walk-in tubs, showers, [grab bars](#) and accessories designed to support aging in place. Mr. Kline continued, “Falls are the primary cause of accidental deaths in people over 65, and 80% of those falls occur in the bathroom. This is a public health crisis we’re working to address.”

“

We enjoyed working with the American Home Improvements team developing their new website.”
Jeffrey Antisdal

Precept Partner’s web developer Jeffrey Antisdal added, “We enjoyed working with the American Home Improvements team developing their new website. As a regional remodeling leader for over 50 years American Home Improvements is not sitting still; they’re continuing to grow, evolve and expand to better serve the changing needs of their customers. That’s the story we’re focused on telling on their new website.”
