>> A question raised by Islamic religious leaders <<, “How can the Qur'an be revised when 1.6 billion Muslims have been indoctrinated to believe that Islam is the true religion, Allah will make it prevail over all other religions and the Qur'an is perfect whereby revision is forbidden?

Let us examine the first concern of this question. It is stated in Sura 9:33 that Islam is the religion of truth and Allah may make it prevail over every other religion.

Sura 9:33. He (Allah) it is Who sent His Messenger (Muhammad) with guidance and the Religion of Truth (Islam) that He may make it prevail over every other religion, even though those who associate partners with Allah may dislike it.

Are these the words of Allah or a Party of Men to have Islam prevail over every other religion? To accomplish this objective, Muslims have killed millions of people who have their own beliefs. Sura 7:5-7 verifies the destruction of towns and the killing of people is accomplished by an army of men, NOT Allah.

>> Muslims destroy many towns and kill for Allah <<

Sura 7:5-7. Little is it that you heed. How many a town have We destroyed! Our punishment came upon their dwellers by night or while they slept at noon. When Our punishment came upon them all

they could utter was: We are indeed wrongdoers.

This sura verifies Muslims are led by a Party of Men, identified as “We” and “Our.” Allah could not have killed dwellers by night or while they slept at noon.

>> Muslims are commanded to kill nonbelievers and commit suicide for Islam <<

The command to kill nonbelievers of Islam is given by a party of religious leaders.

Sura 4:67-69. If we had commanded them: Kill yourselves in striving for the cause of Allah or go forth from your homes for the same purpose: they would not have done it except a few of them; yet if they had done what they are exhorted to do, it surely have been the better for them and conducive to greater firmness and strength. We would then bestow upon them a great reward from ourself, and we would surely guide them along the straight path.

This sura confirms that religious leaders will even provide a great reward for those who kill themselves when killing nonbelievers. It becomes evident that a Party of Men, identified in Sura 3:105, modified Muhammad’s beliefs with added verses.

Sura 3:105. Let there be from among you a party whose business it should be to invite goodness, to enjoin equity and to forbid evil. It is they who shall prosper.

>> Is the Qur’an Perfect and Cannot be Revised? <<

The claim that the Qur’an is the perfect word of Allah is provided below.

Sura 5:3. Today have I (Allah) perfected your religious law for you, and have bestowed upon you the full measure of My (Allah) blessings, and willed that self-surrender unto Me (Allah) shall be your religion.

The statement by Allah that He has perfected the Quran is FALSE. It had to be written by Muhammad or a Party of Men but NOT by Allah. In Sura 2:106-108. they even gave themselves the authority to abrogate previous commands of God.

Sura 2:106-108. Whatever previous commandment We abrogate or cause to be forgotten, We reveal in this Qur’an one better or the like thereof: Knowest thou not that Allah has full power to do all that He wills?

The Quran cannot be the Perfect Law of Allah when the command in the Old Testament, “Thou shalt not kill,” is abrogated. It cannot be perfect when Allah contradicts any of His previous commands because it then proves He is not all-knowing and infallible.

The article, [Revise the Quran to Stop a World Crisis](#) provides Sura 8:16-19. It reveals a representative of a Party of Men commands a Muslim army to kill disbelievers or hell shall be their abode. This leader also strengthens the resolve of his troops by stating “it was not you who slew them, but it was Allah who killed them.”

The above suras reveal that if a Party of Men wrote many portions of the Quran, not Allah, it >> CANNOT << be the Perfect Word of Allah.

>>> Scripture is NOT inviolate <<<

Everything undergoes change, even the words of inspired men who claim to represent God. Mankind's ability to revise religious beliefs occurred many times as illustrated with Figure 1 in the paper, "[Provide History of Religion and God.](#)"

Scripture is NOT encased in concrete NEVER to be revised. It is arrogant religious leaders who teach Scripture is inviolate because they want to retain power to control their followers. Through education of Muslims and People world-wide, the >> Qur'an Will Be Revised <<.

>>> Conclusion, Revise the Qur'an <<<

Upon learning the obvious conclusion that passages in the Quran were written by a Party of Men, Muslims all over the world MUST force their religious leaders to:

>>>Eliminate its many abominable passages and 'Revise the Qur'an' to teach God's greatest command – Love One Another.<<<
