

CCS-2 BPA Expands to Samsung Monitors and Surface Pro Tablets for Ace Computers

Ace Computers' CCS-2 BPA was just expanded to include Microsoft Surface Pro tablets along with security cases and accessories; and Samsung 28-inch monitors.

CHICAGO, IL, UNITED STATES, July 25, 2017

/EINPresswire.com/ -- Ace Computers' [CCS-2 BPA](#) was just expanded to include Microsoft Surface Pro tablets along with security cases, docking stations, and keyboard covers; and Samsung 28-inch monitors. CCS-2 is a five-year contract, with an option for extensions, awarded to only six companies, including Dell and HP.

The Surface Pro 4 features Intel core processors; Windows 10 Enterprise, Standard Desktop Configuration (SDC 5.3), and other programs; connectivity includes USB, mini DisplayPort, and microSD to transfer files, add storage, etc.; a vivid 12.3 inch HD touchscreen; a type cover; Surface Pen for taking notes, etc.; and premium support.

The Samsung 28-inch monitor delivers excellent image fidelity and an expansive viewing area that allows simultaneous multiple document viewing, which is a requirement for detailed engineering applications. It also accommodates viewing at an angle of up to 160 degrees on the vertical axis and up to 170 degrees on the horizontal axis. It includes multiple connectivity options and a fully adjustable stand.

Authorized CCS-2 BPA users include the Department of the Navy, Department of the Air Force, Office of the Secretary of Defense, Defense Health Agency-Air Force (DHAAF), and the White House Communications Agency (WHCA). The contract requires the use of environmentally responsible solutions including Energy Star compliant and EPEAT certified products.

We are already processing orders for both products and expect to be adding more products in the near future."

Ace Computers CEO John Samborski

The range of product categories under this BPA includes computing technology and displays, along with associated peripherals, and services. These are the high quality, superior-performing technology solutions that Ace Computers is known for.

Ace Computers CEO John Samborski said, "We are pleased that these two excellent products were added to our CCS-2 BPA. We are already processing orders for both products and

expect to be adding more products in the near future. We look forward to a continued strong relationship with the U.S. Military and other government organizations."

Ace Computers CCS-2 BPA number is FA8055-17-A-1105. Products can be purchased via the

Ace CEO John Samborski

AFWay (Air Force Way) e-commerce portal where all of the products offered under CCS-2 will be made available through centralized product catalogs.
