

# JD Neel Construction Wins Eight Awards in Central Oregon Builders Association Tour of Homes

*Oregon building company takes home Best of Show and Green Building Award among other prestigious awards for Redmond home*

BEND, OREGON, USA, July 25, 2017 /EINPresswire.com/ -- [JD Neel Construction](#), a Central Oregon custom home builder, took home eight coveted awards in the annual Central Oregon Builders Association Tour of Homes. The home that won is located in Redmond, Oregon and swept its price category, taking home the Green Building Award, Best of Show, Best Architectural Design, Best Kitchen, Best Master Suite, Best Value and Best Feature for its Accessory Dwelling Unit (ADU) design. The division (\$625-650,000) was very competitive and JD Neel's home in the Redmond neighborhood of Redtail Ridge took all but one award in the category.

“I’m not surprised that this home was honored in the awards this year – it has a thoughtful, livable design that is both unique and functional at the same time,” said Rob Davis, JD Neel’s broker partner at [Harcourts the Garner Group](#) Real Estate, the presenting sponsor of the 2017 Tour. Rob is a licensed broker in the State of Oregon. “It has everything buyers are looking for right now in Central Oregon, including a welcoming, spacious kitchen and a convenient ADU for guests and family.”
