

# Adult Star Alison Tyler Pens First Person Essay Wonder Woman vs Wonder Woman for Simply Sxy

*A Unique Perspective on Female Empowerment from the Star of Batman vs Superman XXX: An Axel Braun Parody*

LOS ANGELES, CA, USA, July 26, 2017

/EINPresswire.com/ -- Tall, curvaceous adult star [Alison Tyler](#) has penned a first-person essay for sexual wellness website [www.simplysxy.com](http://www.simplysxy.com), comparing her portrayal of Wonder Woman in Batman vs. Superman XXX: An Axel Braun Parody, to Gal Gadot's portrayal of the iconic superhero in the summer blockbuster movie, Wonder Woman.

"I was very excited when I heard there was a mainstream blockbuster Wonder Woman movie coming out, but I admit, I was disappointed when the news was released that Gal Gadot had been selected to play Wonder Woman," wrote Alison. "The Princess of Amazons is supposed to be strong and bold and well, Amazonian, which means tall, voluptuous, curvy and all that good stuff."

Alison recounts her own personal point of view in reviewing the highest-grossing movie this summer, not only as an adult entertainer and a fitness instructor, but also as a tall, awkward teenager in middle and high school.

"It wasn't until I started getting into competitive in sports that I started to embrace my height, and once I started to embrace it, it became a feeling that was forever growing and evolving.," wrote Alison.

About Alison Tyler:

Alison Tyler in Batman vs Superman XXX

Born and raised in Los Angeles, Alison Tyler made a name for herself as a model in the highly controversial adult film industry while pursuing a business degree at a nearby college. As the curvaceous beauty took charge of her entertainment career and her education, Tyler sought out new adventures around the world. From humanitarian work to more personal journeys seeking a new perspective on life Tyler has backpacked and studied the culture of more than 15 countries. In the fall of 2013, after launching a successful individual website with the Puba Network, Tyler took an interest and dedicated herself to the world of fitness and health. Having an athletic background this seemed a natural fit. Shortly after, Tyler obtained a Personal Trainers certification as well as education in nutrition. She has now set her sights on completing yoga courses to obtain her teacher certification which will further enable her to test the boundaries of the general public perception of adult models by diving into new entrepreneurial enterprises within the fitness industry.

Alison Tyler continues her journey living in Southern California, expressing herself through her painting and yoga, traveling the world and strives daily to break down the barriers and change the views the general public has about the adult industry and the women within it.
