

EcoGEM Hires Director of Logistics

It was announced today that Tim Baringer has joined EcoGEM as its Director of Logistics

DENVER, COLORADO, UNITED STATES, July 27, 2017 /EINPresswire.com/ -- EcoGEM®, LLC is an agribusiness that produces and sells calcium sulfate products for soil health. They are value multipliers designed to increase plant nutrients, sequester harmful sodium and toxins from soil, block fertilizer runoff, preserve water and enhance crop production.

It was announced today that Tim Baringer has joined EcoGEM as its Director of Logistics. Mr. Baringer has over 25 years of experience in the supply chain/transportation industry. He has served at all levels of logistics with such companies as IBM, Sterling Commerce, Swift & Company, Tyson Foods and Schneider National.

Mr. Baringer holds a B.A. Degree from Luther College in Decorah, IA. He is a recipient of the 2013 IBM Sales Eminence Award.

Mr. Baringer stated, "I am prepared to bring my background and experience to EcoGEM, which is creating solutions for food and soil security."

Mr. David Martin stated, "We are excited about the skills Mr. Baringer brings to EcoGEM as the Company ramps up its domestic and international sales."

About EcoGEM®, LLC

EcoGEM®, LLC, a Good Earth Minerals company, is focused on addressing the global challenges of food security, soil loss and water scarcity. EcoGEM products are based on the micro-nutrient calcium sulfate and are listed as organic by OMRI.

About Good Earth Minerals®, LLC

Good Earth Minerals®, LLC holds 350 million tons of calcium sulfate. The Company is dedicated to transforming its selenite minerals into high-value products.
