

# Biopower in France Market 2017 - Current and Future Plans 2030

*Biopower in France Industry Report by Production, Consumption and Forecast 2030*

PUNE, INDIA, July 28, 2017 /EINPresswire.com/ -- Pune, India, 28th July 2017: WiseGuyReports announced addition of new report, titled "[Biopower in France](#), Market Outlook to 2030, Update 2017 - Capacity, Generation, Levelized Cost of Energy (LCOE), Investment Trends, Regulations and Company".

## Summary

The report provides an in-depth analysis on global renewable power market and global Biopower market with forecasts up to 2030. The report analyzes the power market scenario in France (includes conventional Hydro, nuclear and renewable energy sources) and provides future outlook with forecasts up to 2030. The research details renewable power market outlook in the country (includes Wind, small hydro, biopower and renewable) and provides forecasts up to 2030. The report highlights installed capacity and power generation trends from 2006 to 2030 in France Biopower market. A detailed coverage of energy policy framework governing the market with specific policies pertaining to Biopower market development is provided in the report. The research also provides company snapshots of some of the major market participants.

## Scope

The report analyses global renewable power market, global biopower (Biomass and Biogas) market, France power market, France renewable power market and France biopower market. The scope of the research includes -

- A brief introduction on global carbon emissions and global primary energy consumption.
- An overview on global renewable power market, highlighting installed capacity trends, generation trends and installed capacity split by various renewable power sources. The information is covered for the historical period 2006-2016 (unless specified) and forecast period 2017-2030.
- Renewable power sources include wind (both onshore and offshore), solar photovoltaic (PV), concentrated solar power (CSP), small hydropower (SHP), biomass, biogas and geothermal.
- Detailed overview of the global biopower market with installed capacity and generation trends, installed capacity and generation split by major biopower countries in 2016.
- Power market scenario in France and provides detailed market overview, installed capacity and power generation trends by various fuel types (includes thermal conventional, nuclear, large hydro and renewable energy sources) with forecasts up to 2030.
- An overview on France renewable power market, highlighting installed capacity trends (2006-2030), generation trends(2006-2030) and installed capacity split by various renewable power sources in 2016.
- Detailed overview of France biopower market with installed capacity and generation trends and major active and upcoming biopower projects.
- Deal analysis of France biopower market. Deals are analyzed on the basis of mergers, acquisitions, partnership, asset finance, debt offering, equity offering, private equity (PE) and venture capitalists

(VC).

- Key policies and regulatory framework supporting the development of renewable power sources in general and biopower in particular.
- Company snapshots of some of the major market participants in the country.

#### Reasons to buy

- The report will enhance your decision making capability in a more rapid and time sensitive manner.
- Identify key growth and investment opportunities in France biopower market.
- Facilitate decision-making based on strong historic and forecast data for wind power market.
- Position yourself to gain the maximum advantage of the industry's growth potential.
- Develop strategies based on the latest regulatory events.
- Identify key partners and business development avenues.
- Understand and respond to your competitors' business structure, strategy and prospects.

#### Table of Content: Key Points

1	Table of Contents	2
2	Executive Summary	7
3	Introduction	11
4	Renewable Power Market, Global, 2006 - 2030	22
5	Biopower Market, Global, 2006-2030	39
6	Power Market, France, 2006-2030	54
7	Renewable Power Market, France, 2006-2030	69
8	Biopower Market, France, 2006-2030	85
9	Power Market, France, Regulatory Scenario	97
10	Biopower Market, France, Company Profiles	105
11	Appendix	130
