“The case for Information Governance (IG) in healthcare is evident; it is no longer a buzz word in the industry,” said Stambaugh. “I look forward to engaging in a roundtable discussion with my peers centered on their unique IG journey. As a student of IG, it’s a great opportunity for me to listen and learn through the facilitation of this conversation.”

ComforceHealth will also be exhibiting at GHIMA; the convention will be held at the Hilton Savannah DeSoto in Savannah, Georgia. The theme of this year’s event is, “Listening, Learning, Leveraging.” ComforceHealth industry experts will be located at booth #21 from August 6 – 7, 2017.
