

Automotive Battery Global Market 2017 Key Players, Share, Trend, Segmentation and Forecast to 2022

Market Analysis Research Report on “Global Automotive Battery Market 2017 Industry Growth, Size, Trends, Share and Forecast to 2022” to their research database.

PUNE, INDIA , August 8, 2017 /
EINPresswire.com/ -- [Global Automotive Battery Market](#)

Since the decade a lot of economical and political changes have been observed across various industries, some of these have been influencing the high adoption of electric vehicles due to decreasing natural resource and shooting up fuel rates. Prominent industry players and researchers foresee that the few trends will reshape and accelerate one another, and automotive industry will take a major lead in utilizing these trends.

Some of the key developments in [automotive battery](#) is increasing adoption rate in passenger and commercial vehicles, for example Nissan Motors released hybrid cars a year ago and this has captured market positively, while Nissan has been successful in this segment by selling 1000's of cars every year. Many such examples are setting up market for electric vehicles and thereby paving the path for automotive battery market.

Some of the key players in the global automotive battery market include:
Exide Technologies, Inc. (U.S.),
Robert Bosch GmbH (Germany),
Johnsons Controls, Inc. (U.S.),
Tesla Motors, Inc. (U.S.) and
Delphi Automotive PLC (U.K) among others.

Automotive Battery market is dominant in vehicle market due to hi demand for batteries which serves various automotive applications both in power trains and conventional. Growing demand for hybrid, semi-hybrid and complete electric vehicles will upsurge growth to the automotive battery market in the

Global Automotive Battery Market 2017

coming years. However Lithium-ion (Li-ion) batteries will gain high demand and will be the established battery technology for Electric Vehicles and Hybrids Vehicles. The new vehicles market and aftermarket sales of batteries and accessories are expected to rise and according to Johnson Controls an automotive battery manufacturer. New vehicles will be powered with start-stop batteries, this trend will be majorly observed in Europe, followed by U.S. and China.

Automotive battery market is classified into battery type as follows:

Lead Acid Batteries,
Lithium Ion Batteries,
Nickel Metal Hydride Batteries and
Others.

Automotive battery market is further bifurcated on the basis of vehicle type as follows:

Electric Bikes,
Electric Cars,
Hybrid Cars and
Others.

Furthermore, the global automotive battery market is bifurcated on the basis of regions into North America, Asia Pacific (APAC), Europe and Rest of the World (RoW). Europe leads the global automotive battery market currently owing to a significant adoption of automotive battery by solution and industry verticals. Also, a number of leading players in this industry are based out of this region.

Automotive Battery – Market Overview

Executive Summary

3. Automotive Battery – Market Landscape

3.1. Market Share Analysis

3.2. Comparative Analysis

3.2.1. Product Benchmarking

3.2.2. End User Profiling

3.2.3. Patent Analysis

3.2.4. Top 5 Financials Analysis

4. Automotive Battery – Market Forces

4.1. Market Drivers

4.2. Market Constraints

4.3. Market Challenges

4.4. Attractiveness of the Automotive Battery Industry

4.4.1. Power of Suppliers

4.4.2. Power of Customers

4.4.3. Threat of New Entrants

4.4.4. Threat of Substitution

4.4.5. Degree of Competition

5. Automotive Battery Market – Strategic Analysis

5.1. Value Chain Analysis

5.2. Pricing Analysis

5.3. Opportunities Analysis

5.4. Suppliers/Distributors Analysis

6. Automotive Battery Market – By Battery Type:

6.1. Introduction

6.2. Lead Acid Batteries

6.3. Lithium Ion Batteries

6.4. Nickel Metal Hydride Batteries

6.5. Others

7. Automotive Battery – By Vehicle Type:

- 7.1. Introduction
- 7.2. Electric Bikes
- 7.3. Electric Cars
- 7.4. Hybrid Cars
- 7.5. Others

8. Automotive Battery Market- By Geography:

- 8.1. Introduction
- 8.2. North America
 - 8.2.1. U.S.
 - 8.2.2. Canada
 - 8.2.3. Mexico
 - 8.2.4. Rest of North America
- 8.3. Europe
 - 8.3.1. France
 - 8.3.2. Germany
 - 8.3.3. Italy
 - 8.3.4. Spain
 - 8.3.5. U.K
 - 8.3.6. Rest of Europe
- 8.4. APAC
 - 8.4.1. Australia
 - 8.4.2. China
 - 8.4.3. India
 - 8.4.4. Japan
 - 8.4.5. Rest of APAC
- 8.5. ROW
 - 8.5.1. Middle East & Africa
 - 8.5.2. South America
