

Automotive Infotainment Market Is Expected To Reach USD 34,251.0 Million By 2023

Global Automotive Infotainment Market, By Operating System (QNX, Linux, Microsoft, Others) and Region - Forecast 2017-2023

PUNE, MAHARASHTRA , INDIA , August 15, 2017 /EINPresswire.com/ -- Market Highlights:

Key Players: Alpine Electronics, Inc., Continental AG, Harman International Industries Inc., Panasonic Corporation , Pioneer Electronics ”
Market Research Future

The growth in automotive industry directly translates into increasing demand in the [automotive infotainment market](#). Moreover, technological advancements and heavy investments are helping the automotive infotainment market grow. Automotive infotainment is a technology that came into existence to offer better driver assistance systems in automotive, particularly cars. A major driving factor is the good quality rear seat entertainment services. However, the demand for automotive infotainment in the global market will remain very impressive but the varying life cycles of the embedded infotainment systems and the smart phone could

hamper the market growth.
