

Electric Motors Market 2017: Company Profiles, Segments, Landscape and Demand by Forecast to 2023

Global Electric Motors Market Information Report by Type, By Output Power, By Application And By Region - Global Forecast To 2022

PUNE, MAHARASHTRA, INDIA, August 15, 2017 /EINPresswire.com/ -- Market Scenario:

The key players of Electric motors market are BB Group Ltd. (U.K.), Siemens AG (Germany), AMETEK Inc. (U.S.), ARC Systems Inc. (U.S.), Brook Crompton Americas (U.S.), Emerson Electric Co. (U.S.)”
Market Research Future

Electric Motors are devices that work on the electro-magnetic induction principle by ensuring conversion of electrical energy into mechanical energy.

The Global Electric Motors Market is majorly driven by increase in demand for energy efficient Electric Motors. The increase in environmental awareness is leading to greater adoption of the motors which provide energy efficiency, and thus contribute significantly to the growth of the Electric Motors Market. The increase in the use of Electric Motors by the rapidly growing agricultural sector is also expected to contribute to the growth of the market. The increase in use of Electric Motors by various industrial machineries and

household appliances is also expected to drive the growth of the market. The increasing use of the Electric Motors by various end-use industries and the booming automobile sector which is a major end-user of electric motors is expected to drive the market of the Electric Motors during the forecast period.

Study Objectives of Electric motors market:

- To provide detailed analysis of the market structure along with forecast for the next 5 years of the various segments and sub-segments of the Global Electric Motors Market.
- To provide insights about factors affecting the market growth
- To Analyse the Global Electric Motors Market based on various factors such as supply chain analysis, and Porter's five force analysis
- To provide historical and forecast revenue of the market segments and sub-segments with respect to regions and their respective key countries
- To provide country level analysis of the market with respect to the current market size and future prospective
- To provide country level analysis of the market for segments by type, output power, application and region.
- To provide strategic profiling of key players in the market, comprehensively analysing their core competencies, and drawing a competitive landscape for the market
- To track and analyse competitive developments such as joint ventures, strategic alliances, mergers and acquisitions, new product developments, and research and developments in the Electric motors

market.

Key Players:

The key players of Electric Motors Market are BB Group Ltd. (U.K.), Siemens AG (Germany), AMETEK Inc. (U.S.), ARC Systems Inc. (U.S.), Brook Crompton Americas (U.S.), Emerson Electric Co. (U.S.), Hitachi, Ltd. (Japan), General Electric Company (U.S.), Franklin Electric Co., Inc. (U.S.), Johnson Electric Holdings Limited (Hong Kong), Nidec Corporation (Japan), Maxon Motor AG (Switzerland) and others.

Intended Audience:

- Electric motors manufacturers
- Distributer & Supplier companies
- End Users
- consultants and Investment bankers
- Government as well as Independent Regulatory Authorities

Product Analysis:

Product matrix which gives a detailed comparison of the market for different recycled product types

Additional Information:

- Regulatory Landscape
- Pricing Analysis
- Macroeconomic Indicators

Geographic Analysis:

- Geographical analysis across 15 countries

Company Information:

- Profiling of 10 key market players
- In-depth analysis including SWOT analysis, and strategy information of related to report title
- Competitive landscape including emerging trends adopted by major companies

Key Points from Table of Contents:

8. Competitive Analysis

8.1 Introduction

8.2 Competitive Scenario

8.2.1 Market Share Analysis

8.2.2 Market Development Analysis

8.2.3 Type/Service Benchmarking

8.3 BB Group Ltd. (U.K.)

8.3.1 Overview

8.3.2 Type/Service Offering

8.3.3 Strategy

8.4 Siemens AG (Germany)

8.4.1 Overview

8.4.2 Type/Service Offering

8.4.3 Strategy
