

BPCL awards its prestigious microsites design & implementation contract to Octaware Technologies

MUMBAI, MAHARASHTRA, INDIA, August 11, 2017 /EINPresswire.com/ -- Mumbai, August 11th, 2017: [Octaware Technologies Limited](#) (BSE – 540416), a leading software and business solutions development company, is pleased to announce that they have been awarded the prestigious contract from BPCL for the design and implementation of their loyalty and brand microsites. Octaware was one

We are extremely delighted to have won the prestigious contract from BPCL, our first major win in the Indian PSU sector, post our IPO in April 2017.”

Mr. Aslam Khan, Chief Executive Officer, Octaware Technologies Limited

of the bidders and was awarded the contract, post evaluation and presentation of efficient solutions and capabilities to the evaluation committee.

The scope of work under the contract includes design and implementation of microsites for BPCL's loyalty programs – SmartFleet & PetroBonus and other brands - Speed and In & Out. The engagement includes a period of 3 months for implementation of microsites and an additional three years of support and maintenance. Octaware Technology Limited's expertise in the areas of online portals & enterprise systems helped them win the contract.

Commenting on the development, Mr. Aslam Khan, Chief Executive Officer, Octaware Technologies Limited, said, “We

are extremely delighted to have won the prestigious contract from BPCL, our first major win in the Indian PSU sector, post our IPO in April 2017. The fact that it falls under one of Octaware's key focus verticals of governance, demonstrates our consistent and steady inroads in the Indian market, surpassing some of the strong players in the region. We look forward to a long-term business association with BPCL”.
