

New Portal e-trucktax.com Launched to Make Truck Tax Filing (Form 2290) Free for Truck Owners, Tax Consultants and CPA's

EWING, NEW JERSEY, UNITED STATES, August 11, 2017

/EINPresswire.com/ -- e-trucktax.com is approved IRS Modernized e-File (MeF) Provider. e-trucktax.com passed the IRS Assurance Testing System (ATS) requirements for Software Developers of electronic [Form 2290](#) Excise Tax Returns for Tax Year 2017. Meeting the requirements assures the software can provide correct data in the right format for processing by the IRS systems. e-trucktax.com is a highly secured website with highest regards for data privacy.

[Heavy Vehicle Use Tax](#) (HVUT) is a federal tax for heavy vehicles which use the public road transportation system. The threshold weight limit of the vehicle for paying the tax is 55,000 pounds. Any vehicle above the threshold of 55,000 pounds should be paying a yearly tax of \$100.00 with additional \$22.00 for every 1000-pound increase until 75,000 pounds. Beyond 75,000 the maximum annual tax is \$550.00.

To file HVUT, one must fill form 2290 and submit to IRS. This can be filed individually or through a tax consultant. The tax is due for the period July 1 to June 30 and must be filed by August 31. Some of the key requirements to file the returns are the Tax Identification Number or Employer Identification Number, Vehicle Identification Number, name of the person or company under which the vehicle is registered and the total unloaded gross weight of the vehicle. "This is a tedious process, and with years of technical expertise, we worked with a sole goal of making Form 2290 filing quick, simple and free to all our users" said one of the executives at e-trucktax.com.

e-trucktax.com provides an easy way for individuals or companies to fill form 2290 and submit it electronically to the IRS office. After the form is successfully submitted, e-trucktax.com will generate a .pdf file with the submission number and acknowledgement from IRS. This service is free for one vehicle or any number of vehicles with unlimited filings.

On this occasion, the Founders of e-trucktax.com said, "e-trucktax.com have lined up some additional services which will be followed after this service and we commit to keep all their tax filing services
