

Roof Crafters of Baton Rouge Louisiana Joins the Tile Roofing Institute

Because roofing education is so important at Roof Crafters, the Tile Roof Institute was a must to join. The TRI helps Roof Crafters have more roofing knowledge.

BATON ROUGE , LOUISIANA , UNITED STATES , August 24, 2017

[/EINPresswire.com/](http://EINPresswire.com/) -- [Roof Crafters](#) LLC

is a well-known, reputable and leading roofing contractor company based in Louisiana and Mississippi. As a trusted source for expert roofing services from greater Baton Rouge to South Mississippi, owner Chuck Magee and his

team of roofing experts have provided top-quality roofing and insulation services to homeowners and commercial building owners. Using only the best materials, they custom design each project using innovative client portal software that lets customers know exactly how their job is progressing.

The graphic features a stylized illustration of a person on a roof with a pink cartoon character. The text reads: "ROOF crafters", "225.667.1189", "www.theroofcrafters.com", and "Roof Crafters". It also includes the logo for the National Roofing Contractors Association.

“

This shows our further commitment to our roofing clients for the best overall roofing services and being the leading roofing expert in Louisiana.”

Chuck Magee

Recently, Roof Crafters has improved its services and commitment to excellence once more by joining the [Tile Roofing Institute](#), a non-profit association of producers and associates of concrete and clay tile. Founded over 30 years ago and considered one of the leading experts in the roofing tile industry, the Tile Roofing Institute (TRI) has received nationwide recognition for its many contributions to the tile roofing industry.

Chuck Magee and the top roofing contractors at Roof Crafters believe that every resident of Louisiana and Mississippi

should have access to the very best roofing products, with services performed by only the finest and most qualified roofing team. Education is a big part of Roof Crafters training, that is why roofing shingles, [attic insulation](#) and attic ventilation are top roofing education priorities.

Regarding this new affiliation with the Tile Roofing Institute, Chuck Magee stated, "This shows our further commitment to our roofing clients for the best overall roofing services and being the leading roofing contractor in Louisiana and Mississippi."

Roof Crafters has always taken great pride in its ability to deliver quality and professional roofing services. Backed by the Fortune 500 construction industry giant Owens Corning Roofing, the technically advanced roofing contractors at Roof Crafters can offer every roofing client confidence in its capabilities to produce excellence in roofing services.

As a member of the Tile Roofing Institute, Roof Crafters provides expert tile roofing services and experience, helping to promote TRI's primary mission -- to promote greater awareness of concrete and clay tile as the preferred roofing material used worldwide, and its suitability for all roofing installations. In addition, TRI's goal is to educate consumers, architects, builders and code officials about tile's resistance to fire, wind, ice, hail and seismic activity - and to its lifetime durability and long-term value.

Tile is currently the most popular roofing material in the world, offering the ultimate in optimal, long-lasting roofing performance.
