

BLOOMBERG SELECTS GALLAGHER AND CONSULTANTS AND EVERHIVE TO PRESENT ON TRENDS IN LEVERAGING NON-TRADITIONAL WORKFORCE

Bloomberg BNA has selected Terri Gallagher of Gallagher and Consultants and Brandon Moreno of EverHive Corporation to Speak on Payrolling Solutions Webinar.

CHARLOTTE, NC, UNITED STATES, August 15, 2017 /EINPresswire.com/ -- “In the new normal of our workforce; full-time employees will no longer be the main source of talent as we move to increased usage of non-traditional labor; Gig, Contingent, Independent Consultants, and direct sourcing/payrolling,” says Terri Gallagher, CEO of [Gallagher and Consultants](#), an innovative contingent workforce management consulting firm. “It is important to understand the range of payrolling solution providers, terms and definitions, as well as regulatory requirements to step into this new normal.”

Staffing Industry Analysts (SIA) reports that 47% of the workforce will be contingent by the end of 2017, up from 34% in 2015.

“In today’s dynamic workforce environment, executives and leaders are searching for the next stage in innovative ways to optimize their staffing needs utilizing various solutions that include payroll solutions that are worker friendly and cost effective for organizations” says Brandon Moreno, president of [EverHive](#) Corporation, a strategic contingent workforce solutions firm that works with companies to effectively help hire and create systems for internally managed contingent worker programs. “Bloomberg provides a unique opportunity for professionals to gain insight into services that are shaping the new workforce,” Moreno adds.

The webinar will be presented on August 29, 2017 at 2:30 EST. Those interested in listening in and seeing first-hand the various options helping organizations with the non-employee payrolling options can register directly at [Bloomberg BNA](#).
