

Joseph Mormino D.D.S. Wins Consecutive Spectrum Awards For Customer Satisfaction

Joseph Mormino D.D.S. receives his second straight City Beat News Spectrum Award for providing patients with excellent service.

STATEN ISLAND, NEW YORK, UNITED STATES OF AMERICA, August 15, 2017 /EINPresswire.com/ -- [Joseph Mormino D.D.S.](#) has received high praise from satisfied patients and earned itself the prestigious City Beat News (CBN) [Spectrum Award](#) for Excellence in Customer Satisfaction for the second straight year with the highest possible rating of 5 stars.

In partnership with The Stirling Center for Excellence, CBN recognizes businesses for providing an outstanding customer experience and honors them with the Spectrum Award. Winners are based on CBN's independent, proprietary research and evaluation system, which identifies businesses with a track record of top-flight customer service and customer satisfaction. The rating system combines data collected from nominations, online and other customer reviews, surveys, blogs, social networks, business-rating services, and other honors and accolades — all of which express the voice of the customer. Only those with a 4 or 5 star rating receive the Spectrum Award.

Our goal is to offer a level of service and professionalism that is notably different and impressive over a patient's typical healthcare experience.”

For more than 25 years, Joseph Mormino D.D.S. has provided dental services to Staten Island, Brooklyn and New Jersey residents. The team at Joseph Mormino D.D.S. provides the ultimate patient experience by remaining on the forefront of technology as well as education and training in the dental field. "We appreciate the loyalty of all our patients and their excellent reviews and referrals, which have led to our back-to-back Spectrum Awards for customer satisfaction," says Dr. Mormino.
