A Great Day of Golf, Giving & Fun: Colorado CARSTAR Golf Tournament Benefits Local Children's Miracle Network Hospitals

Tournament raised \$13,000 to fund medical treatment for local children

Meadow Hills Golf Course in Aurora, CO was the scene on August 7, 2017 for a great day of golf, giving and fun as the Colorado CARSTAR Golf Tournament raised funds for the Children's Miracle Network. Golfers enjoyed a terrific day on the course, which featured a 4-person scramble, putting contest, breakfast, door prizes and an awards luncheon following the golf.

The \$13,000 raised for Children's Miracle Network stays in the local area to fund Children's Hospital, who treats thousands of children every year. Local Colorado hospitals are provided funds from the Children's Miracle Network to defray the costs of uncompensated care, medical devices, research, training and more.

Since 1983 Children's Miracle Network has raised over \$5 billion dollars to help fund these services in hospitals across the United States and Canada. Every day thousands of children in Colorado and across North America are treated for trauma, diabetes, cancer and more medical issues thanks to funding from Children's Miracle Network, whose donors (often a dollar at a time) help make these life saving treatments possible.
