

TravelPass Group Named to Inc. 5000 for Second Straight Year

Inc. Magazine's annual ranking recognizes America's fastest growing private companies

LEHI, UTAH, USA, August 16, 2017 /EINPresswire.com/ -- Inc. Magazine today named [TravelPass Group](#), a hotel marketplace with over a million properties worldwide, to the Inc. 5000, an annual list of America's fastest growing private companies. TravelPass Group was ranked No. 3069 with three-year revenue growth of 108 percent, making the prestigious list for the second straight year. In the last 12 months alone, TravelPass Group has booked more than 2.6 million room nights, surpassing over \$2 billion in gross hotel booking revenue.

“Being named to the Inc. 5000 is a tremendous accomplishment. Not only for what it means to private companies, but also because it honors the innovative and amazing people we have at TravelPass Group,” said Ryan McCoy, co-founder and CEO of TravelPass Group. “Just a few years ago, we only had a handful of employees. Now, we have nearly 800 team members in eight countries. Our ability to gather and understand customer preferences and adapt quickly has given us the advantage when competing against the largest travel companies in the world.”

“

Being named to the Inc. 5000 is a tremendous accomplishment. Not only for what it means to private companies, but also because it honors the innovative and amazing people we have at TravelPass Group.”

Ryan McCoy, Co-founder and CEO of TravelPass Group

On average, the 2017 Inc. 5000 companies have grown six-fold since 2013 despite the economy growing just 6.7 percent, according to Inc. Magazine. Of the tens of thousands of companies that have applied to the Inc. 5000 over the years, only one in three have made the list two times. For more information and complete results, visit www.inc.com/inc5000.

“The Inc. 5000 is the most persuasive evidence I know that the American Dream is still alive,” said Eric Schurenberg, Inc. president and editor-in-chief. “The founders and CEOs of the

Inc. 5000 tell us they think determination, risk taking and vision were the keys to their success, and I believe them.”
