

Author Loretta M. Herrington to be Featured on CUTV News Radio

FAIRFAX, VIRGINIA, UNITED STATES, August 18, 2017 /EINPresswire.com/ -- Our soul path is the iterations of our soul through the centuries: where we've been; what we've learned; and what we've come back to do. It's how we navigate our soul's physical journey.

But imagine you met someone you remembered from your soul's past – and they remembered you, too!

"He kept saying, 'Why is this happening? I don't understand it,'" recalls Loretta Herrington.

Loretta is the author of *Piece of Soul Through the Heart: A Soul's Journey*, which recounts the story of this remarkable experience and the friendship they built together.

"Meeting someone for the very first time and knowing that you've known them before: that was a shock," recalls Loretta. "When I was in the presence of Zura, I felt a strong connection and it was very disconcerting. I'd not experienced something like this before. My existing belief system was completely rocked."

Loretta continued to work through this experience with her Soul Path consultant to help her understand why these things happen.

"It's an awakening and it will turn your world upside down for a while," says Loretta. "But it's about what you want to do with it. I saw it as God's will. We established a lasting friendship and then we began discussing this connection. We took it very slowly."

Loretta says most people who have these experiences (and it's more people than you would think) choose not to pursue the relationship because it's scary and challenging.

"It opened up a whole different horizon," says Loretta. "I made the decision to continue and we have stayed in touch since 2009. We ended up sponsoring his residency and two years ago he became a citizen."

Zura, who is originally from Georgia, told Loretta he'd felt so alone in this country until he met her.

"Most people would just call it Déjà Vu," says Loretta, "but souls evolve. We have to let go of our apprehensions and trust our intuition more. That's what it's about. We come back hopefully to do better work."

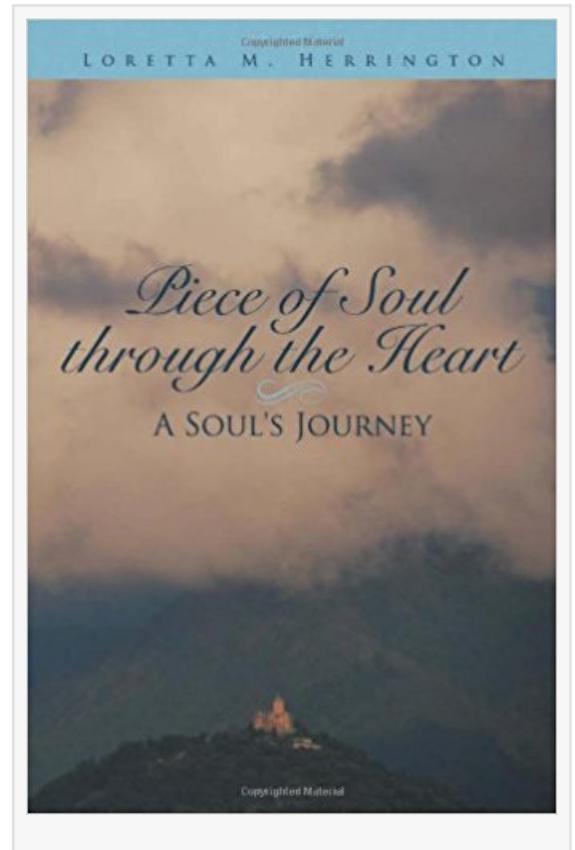

CUTV News Radio will feature Loretta M. Herrington in an interview with Doug Llewelyn on August 22nd at 12pm and with Jim Masters on August 29th at 12pm EDT.
