

Jupiter, FL Plastic Surgeon Featured on Numerous Media Publications

Mardirossian Facial Aesthetics (Palm Beach Plastics) has been featured in a variety of recent media publications, attesting to his experience and expertise.

JUPITER, FL, USA, August 18, 2017 /EINPresswire.com/ -- The staff at [Palm Beach Plastics](#) continues to change lives for the better, and they have recently been featured in a variety of news and media publications both online and in print. The most recent publications in Closer Weekly, Life & Style, and even Zwivel give this Jupiter, Florida plastic surgeon kudos.

Closer – In a June 23, 2017 article in Closer, [Dr. Mardirossian](#) joined Dr. Andrew Miller for an opinion piece regarding Heather Locklear's possible plastic surgeries. Locklear, 55 years old, has never publicly admitted to having had any cosmetic procedures, but Drs. Miller and Mardirossian agree that it appears she has had some alterations – facial fillers, [rhinoplasty](#), and breast augmentation were the surgeon's guesses.

Life & Style – In the June 28, 2017 article in Life & Style, Drs. Mardirossian and Miller weighed in once again as rumors surfaced surrounding the famous Simon Cowell. Dr. Mardirossian does not believe Cowell has had any procedures at all, but Dr. Miller believes he may have used fillers and Botox – though definitely nothing invasive.

Zwivel – Dr. Mardirossian was featured in a June 12, 2017 publication in Zwivel about overpriced beauty products and skin creams. He discussed the benefits of ingredients such as hyaluronic acid for moisture and kojic acid for evening pigmentation, which helps people make the right choices about the skin care products that will work for them.

Closer Weekly – Back on June 1, 2017, Drs. Mardirossian and Miller once again gave their input regarding the possibility that Megyn Kelly has gone under the knife as rumors surfaced following her first-ever appearance on the Today show. Dr. Mardirossian thinks she had Botox in the forehead and for crow's feet, and he also believes that fillers in her cheeks, lips, and nasolabial folds are a very real possibility. Dr. Mardirossian also alluded to the idea that Kelly may have even had rhinoplasty.
