

NY Gov. Cuomo Abuses Power & America's Money Attempting to Silence Whistle-Blower

Desperate and despicable attempts by the Cuomo administration to silence and damage the reputation of well known New York Times whistle-blower

ALBANY, NEW YORK, UNITED STATES, August 21, 2017 /EINPresswire.com/ -- Here is the letter sent by Jeffrey Monsour to his State and federal representatives seeking immediate assistance to protect the disabled in grave danger.

Dear: NYS Senator Little, NYS Assemblyman Dan Stec and Congresswoman Elise Stefanik,

The NYS Justice Center/OPWDD [Office Of People With Developmental Disabilities] & The Cuomo administration are now using a level 3 registered sex offender to silence me from speaking up about abuse, neglect, waste, false claims, mismanagement etc. A level 3 child molester made a false allegation against me, while I was officially on NYS OPWDD duty, supervising him in a Burger King, alleging that I called him names. The Level 3 registered sex offender

later recanted and said that staff at an OPWDD group home had coerced him into making the false allegation. (fyi, the child molester is currently back in jail again, this time for parole violation.) Which begs the question, how does an individual who is deemed mentally competent to be incarcerated in prison/jail qualify for federally funded NYS OPWDD services to begin with?!? (possible false claim?

“

I am requesting whistle-blower protection and a Federal investigation into the abuse of power within the Cuomo administration.”

or loophole?) How many qualified children and adults with disabilities are being denied Federally funded services in America?

The Cuomo administration has full knowledge of this, yet continues to pursue me, wasting valuable Taxpayer dollars and resources, including once unnecessarily sending the NYS Bureau of Criminal Investigation to my home in an attempt to intimidate me. Meanwhile, the NYS Justice Center fails to properly investigate maggots in a individuals breathing tube/ tracheotomy, Individual to Individual abuse, suspicious deaths

of individuals, Neglect etc! Disgraceful and illegal!!! (see below links)

I am requesting whistle-blower protection and a Federal investigation into the abuse of power within the Cuomo administration.

I am respectfully requesting that you do SOMETHING!

Sincerely,
Jeff Monsour
