RE/MAX TITANIUM*

“Our company has been inducted into 2017 INC 5000 Fastest Growing Private Companies in America and we are celebrating this achievement with this amazing party.” Said Rudy Kusuma, the leader of Team NuVision and RE/MAX TITANIUM. “The list represents the most comprehensive look at the most important segment of the economy that is America’s small businesses.” He added while talking about the significance of this listing. According to Rudy Kusuma, companies such as Yelp, Pandora, Timberland, Dell, Domino’s Pizza, LinkedIn, Zillow, and many other well-known names gained early exposure as members of the Inc. 5000.

On this celebratory occasion, William Hung, who is a Hong Kong-born American former singer spoke and congratulated Rudy Kusuma and his team at RE/MAX TITANIUM. William Hung gained fame in early 2004 as a result of his off-key audition performance of Ricky Martin's hit song 'She Bangs' on the third season of the television series American Idol. Moreover, the sensational singer was offered a \$25,000 advance on a record deal from Koch Entertainment in 2004, and released three albums on that label in 2004

and 2005.

In addition, William's first album was titled 'Inspiration' and it was produced by Giuseppe D. It was recorded over a March 2004 weekend with Hung singing vocals over karaoke music. William Hung performed before nearly 20,000 fans during half-time at a Golden State Warriors game on April 6 and performed "She Bangs", included on the album, on such shows as The Tonight Show with Jay Leno. The album at first received negative reviews, but ultimately went on to sell about 200,000 copies and reached Number One on Billboard's Top Independent Album Chart.

The most amazing fact about this induction is that according to the magazine, only a handful of businesses make it to this list more than once and Rudy Kusuma has been one of those lucky few. Tens of thousands of companies competed to make it to the list and RE MAX TITANIUM not only made it to the top but also did it twice, which is truly remarkable. Rudy L. Kusuma is an award winning realtor from California who has made several accomplishments and this induction will add to the list of successful achievements made by himself and his team. The team along with its leader Rudy Kusuma have thanked the magazine for this prestigious honor for the second time.
