

# KDG Named Top Software Developer in the Philadelphia Region

*Allentown's KDG has been named one of the Philadelphia region's top software development teams.*

ALLENTOWN, PENNSYLVANIA, UNITED STATES, August 23, 2017 /EINPresswire.com/ -- Lehigh Valley tech solutions provider KDG has been named one of the Philadelphia region's top software development teams by Clutch, a Washington, D.C. B2B research firm. Hundreds of software providers in the Greater Philadelphia area were considered, but only a handful were chosen as industry leaders.

KDG's team of [custom software developers](#) placed second, ahead of a variety of competitors much larger in size.

"All of our development is done by our team in our Allentown, PA, headquarters," says John Lamont, Director of Development at KDG. "This puts us at a unique advantage compared to other tech solutions providers. It also helps us give our clients the high quality customer experience they deserve."

Clutch named KDG a market leader in the Philadelphia area based on client interviews, customer ratings, and detailed industry research and analysis. Clutch's recent recognition joins KDG's growing list of accolades. Earlier this year, the company was named one of the most promising companies in education technology by CIOReview. Meanwhile, the company's Lehigh Valley web designers have been recognized nationally for their [higher ed web design](#) projects and crowdfunding campaigns.

The Lehigh Valley tech solutions provider has worked with a variety of clients both in the Philadelphia area and beyond, including Drexel University, Lutheran World Relief, CUPRAP, Jaflo, The Arc, Gates
