

Industry leaders confirmed for Healthcare Innovation Summit Africa 2017 in Johannesburg

Leading healthcare and technology players will be represented at the upcoming Healthcare Innovation Summit Africa 2017, set to take place in Johannesburg.

JOHANNESBURG, GAUTENG, SOUTH AFRICA, August 25, 2017 /EINPresswire.com/ -- Leading healthcare and technology players will be represented at the upcoming [Healthcare Innovation Summit Africa 2017 \(#HISA2017\)](#), set to take place between 29-30 August at Vodacom World in Midrand, Johannesburg.

The summit will gather the who's who of Africa's healthcare and technology communities for two days to discuss hot topics such as robotics, electronic health records, delivering personalised healthcare, artificial intelligence, IoT in healthcare, driving down the cost of care with technology, security, legal impact of eHealth, healthcare policy, telemedicine advances, future of healthcare and much more.

This year's edition will feature influential speakers, many of whom have implemented game-changing tech solutions within their healthcare organisations. It is no surprise that major tech and healthcare brands, as well as government departments, have thrown their weight behind this summit.

These are just some of the organisations that will be represented at #HISA2017:

- 2Cana
- Accenture
- Adapt IT
- Afrox
- Agfa
- Allegra
- Altis Biologics
- Avaya

The graphic features the HiSA logo in large white letters with a yellow dot above the 'i'. Below it, the text 'Healthcare Innovation Summit Africa 2017' is written in white, with '2017' in large yellow font. At the bottom, it says '29 - 30 AUGUST | JOHANNESBURG'. The background shows a large audience seated in a conference hall. Below the main graphic is a grid of eight black and white headshots of diverse individuals, likely speakers at the summit.
