

Time After Time Earns Inc. 5000 Ranking

Inc. Magazine Unveils 36th Annual List of America's Fastest-Growing Private Companies

PHILADELPHIA, UNITED STATES, August 24, 2017 /EINPresswire.com/ -- [Time After Time](#) (www.timeaftertimefranchise.com), a leading watch retail and repair company, recently earned a ranking in the annual [Inc. 5000](#), reaching No. 4416 on the coveted list. The 36th annual awards are the most prestigious ranking of the nation's fastest-growing private companies.

The list represents a unique look at the most successful companies within the American economy's most dynamic segment — its independent small and mid-sized businesses. Companies like Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names gained their first national exposure as honorees of the Inc. 5000.

“

The honor is a culmination of the dedication and commitment we've given for the last 25 years to our business and more importantly to our customers, that has allowed us to reach this level of success.”

Derek Koss, founder and CEO Time After Time

“We are so incredibly humbled and honored to be a part of the Inc. 5000,” said Derek Koss, founder and CEO of Time After Time. “The honor is a culmination of the dedication and commitment we've given for the last 25 years to our business and more importantly, to our customers, that has allowed us to reach this level of success.”

The 2017 Inc. 5000 is the most competitive crop in the list's history, with the average company achieving a staggering three-year average growth of 481 percent. The Inc. 5000's aggregate revenue is \$206 billion, and the companies on the list collectively generated 619,500 jobs over the past three years.

“The Inc. 5000 is the most persuasive evidence I know that the American Dream is still alive,” says Inc. President and Editor-In-Chief Eric Schurenberg. “The founders and CEOs of the Inc. 5000 tell us they think determination, risk taking and vision were the keys to their success, and I believe them.”

Each Inc. 5000 list is comprised and ranked by comparing a company's percentage revenue growth between 2013 and 2016. To qualify, companies must be U.S.-based, privately held, for profit, and independent, founded and generating revenue by March 31, 2013, with a minimum revenue of \$100,000 for 2013 and a minimum revenue of \$2 million for 2016.
