

Davis & Associates to Offer Monthly Immigration News Round-Ups on Blog Site

DALLAS, TX, UNITED STATES,
September 4, 2017 /EINPresswire.com/
-- Davis & Associates, an Immigration
Law Firm located in Dallas, is offering a
new and helpful resource to its
community members and clientele in the form of an online [immigration news round-up](#) posted monthly
to the blog section of their website.

With the political atmosphere bringing immigration issues to the forefront of conversation, many “fake news” and sensational articles are being shared via social media and other outlets.

For this reason, Davis & Associates made the decision to start creating and sharing news round-ups.

A “news round-up” is a compilation of 4 news articles, published within the previous 30 days, that relate to American or Texan immigration.

The four articles chosen each month are relevant to anyone involved directly or indirectly with the process of American immigration, and have been researched and vetted by a Davis & Associates staff member.

If you would like to receive expert immigration help and be added to our email list, please [fill out a contact form](#) on the website.

Alternatively, if you would like to see the monthly round-ups online (in both Spanish and English) visit the blog site on the Davis & Associates website at:
