Chapters are posted daily and include illustrations from the manhua (Chinese graphic novel). The translator promises a happy ending and that the main couple's romance is 1-1. In other words, it's not a "harem" type of novel.

The Reader and Protagonist Definitely Have to Be in True Love is primarily a romance but also has fantasy, action, and comedy.

The novel uses a lot of common fantasy elements but puts a new, fresh twist to them that makes for great reading. Du Ze is a cute, silly teenager who nonetheless has a strong willpower. On the outside, he is cool and calm, with an impassive face, but inside he is a soft, easily excitable otaku.
