

Barriere Construction to Showcase The Stonehenge Model at Cavalcade Tour of Homes 2017

Barriere Construction, a custom home builder in Downers Grove Illinois, will showcase the Stonehenge home model at the 2017 Cavalcade Tour of Homes.

DOWNERS GROVE, IL, UNITED STATES, August 30, 2017 /EINPresswire.com/ -- This year's annual [Cavalcade Tour of Homes 2017](#) will take place from September 7th to September 17th. The homes will be open on Thursday and Friday from 4p.m. to 7p.m., Saturday from 10a.m. to 6p.m., and Sunday from noon until 6p.m. This year's tour will consist of 22 exciting homes from some of the Chicago areas top home builders in 5 different counties.

[Barriere Construction](#) is proud to be a part of this prestigious event that allows home builders to showcase their abilities and the hard work, quality and dedication that goes into building these magnificent homes. Adam Barry the president of Barriere Construction said, "It's truly an honor to have one our homes as part of the Cavalcade Tour of Homes with so many other talented developers and home builders. It gives people the opportunity to admire the creativity, dedication, and hard work that goes into designing and building homes of this quality."

[The Stonehenge](#) home is a twist on the Modern Farmhouse and is built above and beyond today's standards. It is a future focused home, designed to be enjoyed for generations to come. This modern farmhouse consists of solar panels, thermal barrier built walls, and energy efficient materials throughout the home, while maintaining the sustainability one would expect with a farmhouse.

In recent years Adam and Barriere Construction have shifted their priorities when it comes to building homes. People are looking to live a "cleaner, healthier" lifestyle and this reflects the homes developed by Barriere Construction. Adam Barry decided to take his homebuilding knowledge to create homes that are stylish, energy-efficient, and contain as many eco-friendly features as possible.

About Barriere Construction: The idea for Barriere Construction, A Downers Grove home builder, started when Wilfred Hormidas Barry began building lunch wagons in 1906 and later started manufacturing and building diners in his backyard an onsite in 1926. The building bug remained in the family and fast forwarding to the present, Adam Barry was a project manager for his father's business, D'abar. Adam's passion for building high-performance and energy efficient homes that surpass standards is what led to the creation of Barriere Construction, where Adam works diligently to create some of the most innovative homes in the Chicago area market.
