

TouchStar to Attend the Asia Pacific Fuel Industry Forum

TouchStar will attend the 2017 Asia Pacific Fuel Industry Forum (APFI) put on by the Australasian Convenience & Petroleum Marketers Assn. (ACAPMA) on 13-14 Sept

SYDNEY, AUSTRALIA, September 5, 2017 /EINPresswire.com/ -- [TouchStar](#), a multinational provider of logistics and mobility software solutions, announced that it will be attending the 2017 Asia Pacific Fuel Industry Forum (APFI), presented by the Australasian Convenience and Petroleum Marketers Association (ACAPMA) on 13-14 September 2017. APFI, which is ACAPMA's flagship event for the fuel distribution, wholesale and retail industry across the Australia, New Zealand, and Asia Pacific, takes place this year in Melbourne, Australia.

TouchStar will be exhibiting at APFI from Booth #1 in the Melbourne Convention and Exhibit Centre. The company will have on display a number of solutions designed to meet the unique fleet management needs of the fuel and petroleum industry. These solutions include TouchStar's proprietary [TransPac](#) Android application as well as the company's integrated telematics and fleet tracking solution, FleetWatch.

“

We look forward to expanding our global trade show presence at an event that encourages such innovation in fuel infrastructure management, and in such a key region.”

Peter Gibbs, TouchStar CEO

“TouchStar is very excited to attend the Asia Pacific Fuel Industry Forum,” said TouchStar CEO, Peter Gibbs. “We look forward to expanding our global trade show presence at an event that encourages such innovation in fuel infrastructure management, and in such a key region.”

This will be the second time TouchStar has attended the Asia Pacific Fuel Industry Forum – the first being in 2016.

TouchStar's goal at the forum is to demonstrate its contemporary solutions in the fueling operations space. At

press time, TouchStar's integrations fleet software is utilized by over 500 companies internationally.

TouchStar will be presenting its Next Gen Android mobility solutions at the Forum both Wednesday and Thursday, 14-15 September. Meetings and demonstrations may be arranged with Samantha
