## [Global Corporate M-learning Market](#)

### Description

WiseGuyReports.Com adds" Global Corporate M-learning Market 2016-2020 "Research To Its Database.

Globalization has intensified competition within and outside organizations. As a result, corporates are faced with the challenge of maintaining market leadership and customer base, as well as recruiting and retaining talent. Evolving job roles are demanding new skills, thereby increasing the reliance on external corporate training providers. Consequently, companies are blending in-house talent and technology resources with services offered by corporate training providers and placing greater emphasis on knowledge-sharing initiatives. In addition, developed economies are focusing on service-based industries that value intellectual capital; this encourages enterprises to focus on the above-mentioned factors while developing corporate training programs.
