

New Minimalist Wallets in 3 Colors and RFID Protection available now from KISETSU.Co

Men always wish to own the best quality slim wallets and women wish to present their men with such a wallet.

SINGAPORE, SINGAPORE, SINGAPORE, August 31, 2017 /EINPresswire.com/ -- KISETSU.co offers the best quality wallet with RFID protection and many rich colors. KISETSU.Co does not have a single type of wallet for sale. They have a huge collection of different types of wallets for men to choose from. The company says "RFID protection never looked so fine".

KISETSU.Co offers different types of wallets and even they offer travel pen with a refill for the wallet. The slim wallet collection offered by this company is available under different categories like Natsu, Haru, and Aki.

“

Carry Fat Stacks Of Cash In A Slim Wallet RFID Protection. Beauty, form, functionality. Kisetsu Wallets helps to keep your everyday carry to an ideal minimum.”

Ryan Sim

The attractive collection of thin wallet offered by this company is available in different colors like cinnamon brown, midnight black, navy blue, vintage brown, etc. The company has a variety called crazy horse leather wallet. The Aki wallet variant looks attractive in three different colors and it has RFID protection than ever before.

About KISETSU.Co:

KISETSU.Co says it is not about how much the wallets fit, but it is about how little you actually need. This is why their crazy horse leather wallet is designed in a slim manner. To ensure

extra security, the NATSU and other wallets offered by this company have RFID Protection. The users can carry less and can carry freedom with these wallets on offer.
