

IBS Intelligence is chosen by S&P's iconic Capital IQ platform

IBS Intelligence will be the first and only fintech focused contributor to provide proprietary real-time research to Capital IQ's one million+ clients globally.

LONDON, UNITED KINGDOM, August 31, 2017 /EINPresswire.com/ -- London headquartered FinTech intelligence firm IBS Intelligence (a unit of Cedar Management Consulting International, LLC) has today announced that it has been chosen by Standard and Poor's iconic platform, Capital IQ to provide its internationally acclaimed quality [research](#) on FinTech. Starting September 1st, 2017, IBS Intelligence will be the first and only [Financial Technology](#)-focused contributor to provide proprietary real-time research and intelligence to Capital IQ's one million+ buy-side and sell-side clients every month.

This effort rides on the back of the rapidly growing “Fintech” wave that is becoming an inherent part of the old-age corporate and new-age start-up ecosystem globally. IBS Intelligence's knowledge offering to the Capital IQ platform will include a wide array of 300+ Fintech research reports on suppliers and systems, access to the globally recognized IBS Intelligence [Sales League Table](#), and a range of value added services in the form of technology trends, white papers, and market data.

Mr. Sahil Anand, IBS Intelligence said “Capital IQ subscribers will now have access to real-time in-depth intelligence on a sector that is becoming an important part of their job in some way or another. Essentially, anybody who uses the Capital IQ platform and searches for the word “Fintech” will now have access to our global intelligence in various forms. We see major potential in terms of the value our intelligence can add to tech firms, private equity & venture capital funds, and management consulting firms in the work they do. Our alliance with Capital IQ will also play a significant role as a new sales channel, in addition to the robust sales engine we have built at IBS Intelligence recently. We are working on reaching similar agreements with other leading platforms to ensure that access to IBS Intelligence's FinTech knowledge is available to widest FinTech audience globally.”

About IBS Intelligence:

Established in 1991, IBS Intelligence, a division of Cedar Management Consulting International LLC, is the definitive source of independent news, insights, and research relating to the global financial technology market. Its iconic publication IBS Journal is recognized world-wide with readership over 40+ countries. Its comprehensive range of Market Reports, Supplier & System Reports and Case Studies are driven by its independence and expertise. The annual IBS Intelligence Sales League

Table is universally acknowledged as the barometer for international banking systems sales activity. For more information, please visit www.ibsintelligence.com

About Capital IQ:

The iconic S&P Capital IQ platform is a single source for a powerful array of financial data, analytics and research. It's web-based platform combines deep information on companies, markets and people worldwide with robust tools for analysis, idea generation and workflow management. Research offerings include Leveraged Commentary & Data, Global Markets Intelligence, and company and fund research. It is owned by Standard & Poor's Financial Services LLC, which is an American financial services company. It is a division of S&P Global that publishes financial research and analysis on stocks, bonds and commodities. S&P is known for its stock market indices such as the U.S.-based S&P 500, the Canadian S&P/TSX, and the Australian S&P/ASX 200. S&P is considered one of the Big Three credit-rating agencies, which also include Moody's Investors Service and Fitch Ratings.
