

Helper4U Collaborates With DWSSC to Provide Employment Opportunities to Helpers.

MUMBAI, MAHARASHTRA, INDIA, September 1, 2017 /EINPresswire.com/ -- Helper4U is proud to announce its association with Domestic Workers Sector Skill Council ([DWSSC](#)) to help establish contact between DWSSC trained domestic workers and employers looking to hire them.

DWSSC was set up in 2016 under NSDC. The objective of this council is training domestic workers: Maids, Baby sitters, Cooks, Patient Care staff and Housekeeping Staff so that they can demand and get better salaries, and respect. DWSSC has collaborated with training partners across different cities to offer these training. Post the training the important step is to showcase these candidates to the employers in a hyper local manner and get them placed fast, near their homes.

www.Helper4U.in has collaborated with DWSSC to provide placement opportunities to the candidates, without the need of any agency or middleman. Helper4U already works with ABCDE: Aya, Bai, Cook, Driver and Elder care staff across India, to help them get better jobs with dignity, on their terms, in the locations they need. Helper4U is, therefore, an ideal platform for DWSSC trained candidates to get job offers and for employers to hire trained, certified and verified [Helpers](#) for home. The whole hiring process is online and the Job Seekers just need a mobile on which employers can call them. By using technology, Helper4U ensures that there is no middleman involved, thus benefiting the Job Seekers as well as Employers. They connect directly with each other to initiate the hiring process.
